"NC 92072019. Hut Circle. (site of)" (1)

"East of the Allt Halligarry, and some sixty yards above the road, is the site of a hut-circle, visible only as a platform about 12.0m diameter." (2) (OSFI:WDJ:3.6.1961)

"This is a hut-circle levelled out of the slope in the bottom reaches of a steep SW-facing hillside. There are no signs of associated agriculture. The hut remains as a platform, about 13.0m NW-SE by 10.5m, having vestiges of a wall on the rim; an entrance is no longer evident." (OSFI:JM:7.12.1976)
