47 TEXT											

"Preserved at Canna House is a cross-slab, found on the shore at NG 2717 0473. Mrs J Campbell of Canna House believes that this cross slab came from the old St. Columbus Chapel Burial ground (HNG 20 NE 001) and was dispersed (along with three others associated with it) when the chapel was destroyed in the mid 19th century". (O.S.F.I:AA:3.6.1972)
