Dear Mr Lines

DINGWALL MAUSOLEUM

Just a quick note to say thank you very much for your recent letter and photographs of the re-burial site. It is especially interesting to know of the origin of the granite slab!

The project as a whole has been a very interesting experience, and it is especially nice to see the final stage. Once again, thank you for all your help and assistance.

With best wishes,

Yours sincerely

Dear Mrs Low

Davidson Family Mausoleum

For your further information I enclose two photographs of the Redhead granite slab with inscription on it which has now been placed over the reburial site. The lead lettering, being new, has not blackened to show up very well on the photographs, hence the attached wording.

You might be interested to know that the granite slab was once the altar table in the old Highfield Chapel, Muir of Ord, which was removed when the chapel was converted into a private dwelling some years ago.

With best wishes,

Yours sincerely,
Kenric Jones
