 "NH 5764 6217, Cup marked stone (moved)."(1) "At NH 5764 6217 in the gardens of Lemliar there is an upright cup-marked stone not in situ, which measures 0.9m x 0.2m x 1.3m high. It bears 20 cup-marks and a cup and ring on its SE face, together with several unusually shaped grooves. The present owner of Lemliar, Mrs Humphries, could not give any information concerning where the stone was found or how it came to form the centre piece of the garden rockery."(OSFI:NKB: 20.6.1965) "No change to previous field report."(OSFI:JB:18.11.1976)
