"There is a naturally formed cairn in the face of the hill N of the farm offices of Inchdown."
 (1) "No trace of any cairn was seen on the hill face N of Inchdown. It is not known what Maclean means by a 'naturally formed cairn', unless he is referring to large masses of scree which cover the hill-side." (OSPI:WDJ:9.5.1963)

Inchdown;- Cairns have been recorded north of Inchdown in an area now covered by forest. (2)
