

# “STROME CASTLE” FERRY – DROCHAID ISAAIC

SMR No. NG83NE0011

GRID REF. 881371

The “Strome Castle” was built by Nobles of Fraserburgh in 1958 and is 9m long x 3m wide. She was the smaller of the last two ferries to operate between Strome and Stromeferry, ceasing in 1970 when the road by-pass was opened.
